#### 4, How to charge the battery

Convenient and fast charger, computer, charging treasure, car charger, etc  
Smart battery reminder  
Realtime mastery of battery life

Charging /Low Battery

Fully Charged

Support USB Rechargeable, you can charge it from the computer, power bank, power adapter or car.

The charging port is USB-C port, compare with the micro USB, the USB-C port is reversible, any way you plug in is the right way. It's convenient for daily us and not easy to damage the port.

**Low Battery Indicator.** When you use the flashlight normally, the indicator light will turn red when the battery is too low to remind you that it's time to recharge the flashlight

#### **Charging Indicator:**

Red: Charging

Green: Fully Charged

It will takt 6~8 hours to be fully charged.
